

Smart differential pressure transmitters with direct diaphragm seals

Ordering procedure

Differential pressure transmitter: **APRE-2000PD, APRE-2000PZ, APR-2000AL, APR-2000ALE, APR-2000ALW** /

Special versions
– according to the transmitter sheets

Nominal measuring range

Start of set range – in relation to 4 mA output

End of set range – in relation to 20 mA output

Diaphragm seal according to the diaphragm seals sheets
